12 respondents; some evaluations incomplete

1. Did the speakers share and meet the learning objectives for the session?

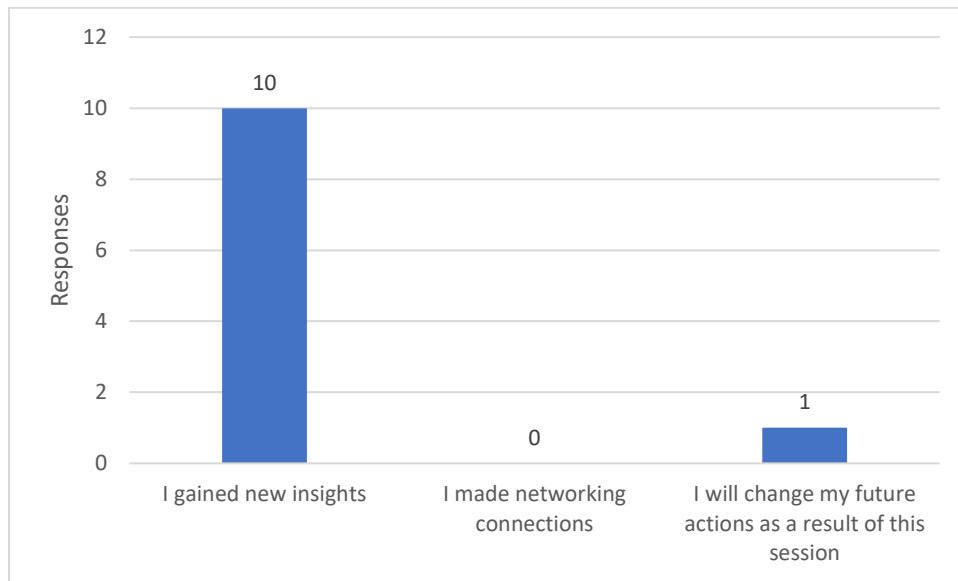

2. Did the session meet your personal learning needs?

Comments:

- *I didn't feel it was as clear or put together as I was hoping.*
- *Great presentation, but would have liked better time management so there would be more time for questions (clarifications on comments and concepts that were over my head.)*
- *Not my style. Speakers seemed very low energy but knowledgeable. Hard to pay attention to and language used wasn't accessible.*
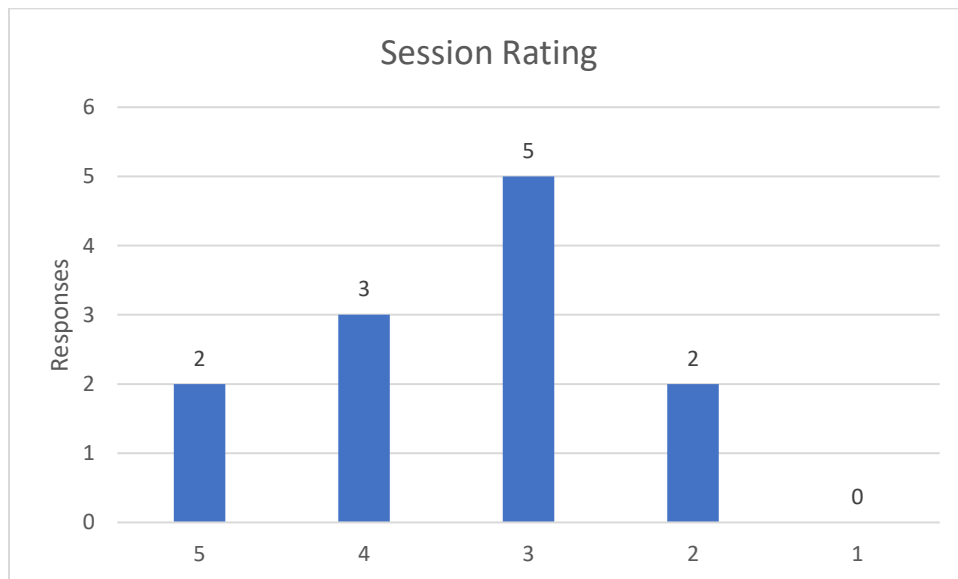

3. For this session, check all that apply.

4. How will you use this information in new or existing initiatives?
   - *I think perspective is always helpful.*
   - *The idea of rural ranking models.*
   - *I will share with member organizations.*
   - *Share/transfer info to my program.*
   - *I have to look into affiliation types more.*
