Dear [new member's name],

Welcome to NYSARH! We're thrilled to have you on board and can't wait to get to know you!

To help you get involved, we want to make you aware of what NYSARH has to offer:

- **Monthly webinars**
3rd Thursday of the month, 1pm - 2pm
Stay up to date via our Webinars page. The 2020-2021 webinar schedule will be posted by early September.
- **Quarterly Newsletters**
Connecting you to rural health news, training and funding opportunities
- **Annual Rural Health Conference**
This year's event is scheduled for September 14th - September 17th. This on-line conference will feature national, state and local experts focused on the challenging issues of our time in rural New York State and provides a prime opportunity for you to network with key players from a multitude of areas in New York State's health arena.
- **Advocacy**
The NYSARH Policy Committee is composed of volunteers from across the state. We survey the NYSARH members to learn which issues are important to them and collaborate with other associations and advocate to develop policy positions.
This includes participating in **Rural Health Advocacy Day** in Albany in February every year. NYSARH Board and Association members meet with NYS Senate and Assembly members about key issues facing rural health.
- **Volunteer Opportunities**
NYSARH needs Members to serve on Committees to help with projects such as marketing and social media; grant research; exploring best practices from other states; membership recruitment; conference planning; and wellness and rural economic development. We encourage you to volunteer and get involved. Experience demonstrates that members who engage early and often have a better experience with NYSARH.

To help you stay up to date, we recommend you add the following e-mail addresses to your e-mail contacts list - we don't want you to miss any e-mails from us regarding your membership renewal, upcoming events, or important communications. Also make sure you "like" and follow the [NYSARH Facebook page](#).

If you have any questions or need assistance at any time, please feel free to call the NYSARH office at 315-379-7701.

Again, welcome aboard!

Sincerely,

Christa Parish
